- Defense Logistics Agency
- Defense Commissary Agency

Federal Civilian

- Department of Agriculture
- Department of Commerce
- Department of Education
- Department of Energy
- Department of Homeland Security
- Department of the Treasury
- Department of Veteran Affairs
- General Services Administration

Addx has two OASIS SB contracts:

- Pool 2 Financial Solutions
- Pool 3 Engineering Solutions

Whom We Serve: Our customers are dedicated; they are focused on accomplishing missions they believe in, and are beyond themselves and serve our nation.

Our Purpose: To significantly contribute to our national security and economic prosperity through delivering solutions that help our federal clients accomplish their missions. To deliver on this purpose, we hire, train and retain the very best employees, and enable them to serve our clients with innovation and excellence.

Our Shared Vision: To become an enduring market leader in providing Good Government solutions that significantly improve client mission performance, ensure national security, and promote economic prosperity.

Our Guiding Principles:

Excellence – Our work is defined by deep service expertise conducted responsibly, reliably, and with lasting results our customers can count on.

Responsiveness – Our reputation is defined by the highest standards of professionalism and performance, adapting quickly and collaboratively to changing needs.

Efficiency – Our business is defined by our commitment to doing what is right by our clients through delivering best value in price and results.
